

The School of Pharmacy
University of London

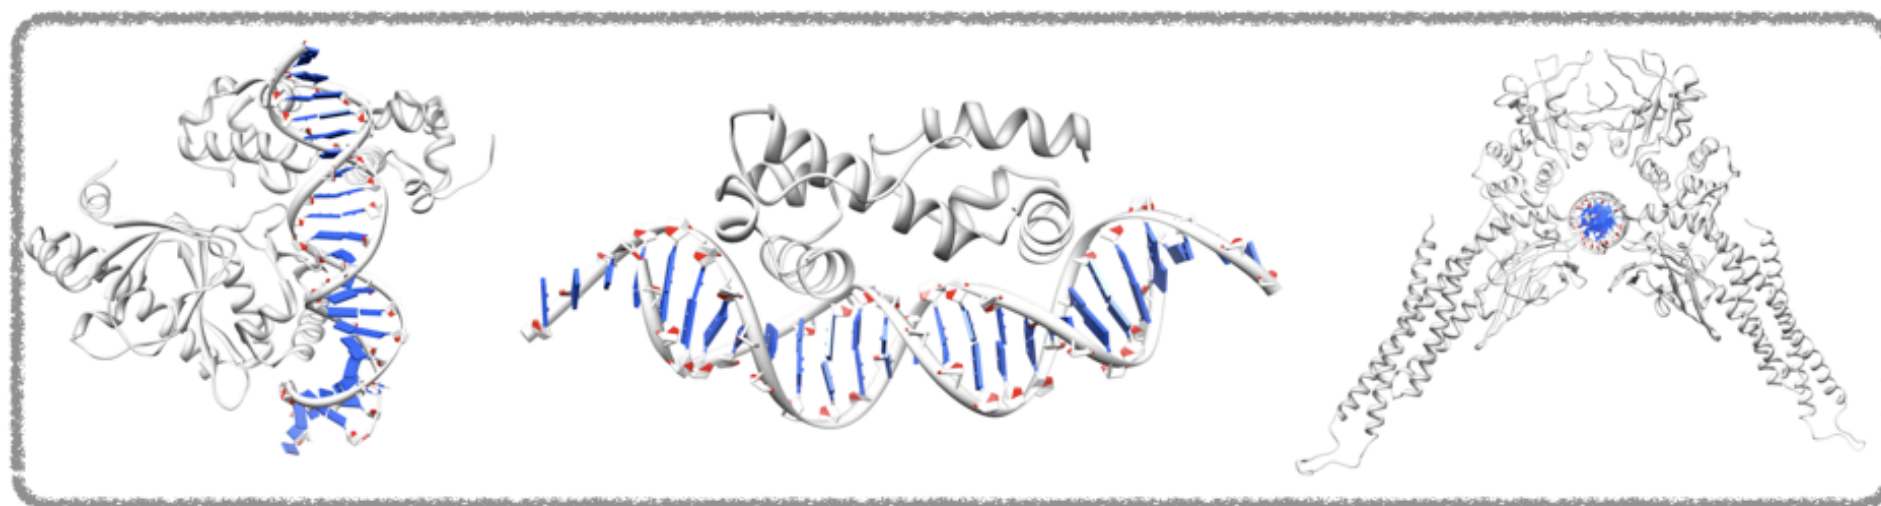

Professor Tim Clark
Theoretical and
Computational chemistry
Friedrich-Alexander-Universität
Erlangen-Nürnberg

MGMS Lecture Tour

Protein:DNA Interactions and Signal Transduction

covering classical Molecular Dynamics on
Repressor and Activator Systems

Professor Tim Clark

Professor of Theoretical and Computational Chemistry
Friedrich-Alexander-Universität Erlangen-Nürnberg, Germany

3pm, Wednesday 14th September 2011

JHLT, School of Pharmacy, Brunswick Square, London WC1

Admission is free, and refreshments will be served after the lecture

To reserve a place please email Jarmila Husby by 2nd September 2011 at:
jarmila.husby@live.pharmacy.ac.uk
